Policy and procedures for sponsoring/recommending new candidates for club membership.

Our club's constitution and bylaws require that someone who wishes to become a member must have a sponsor (someone to recommend them), to ensure that the new applicants are known to the sponsoring club member as a responsible person of good repute, who will respect club rules and property, and who's membership will not be detrimental to the interest of the club. The club member (sponsor) is responsible to instruct and supervise their membership nominee in following the procedure for attending club membership as outlined below.

PROCEDURE:

1. All new nominees for membership must have a sponsor, who has been a club member, in good standing, for a period of at least one year.
2. All new nominees for membership must complete a membership application and insurance waiver form.
3. The sponsor's name must be included on the membership application in the section: "**Recommended by**".
4. The sponsor must so-sign/endorse the insurance waiver form in the space provided, and so indicated, on the signature page, adjacent to the applicant's signature.
5. After mailing your completed membership application, insurance waiver form and payment to our PO Box, the new membership nominee, and their sponsor, must attend a club meeting. We must receive your paperwork and payment at least ten days prior to the meeting you will be attending.
6. The sponsor will introduce the nominee to the attending club members. After the introduction, the nominee will be asked to, momentarily step out of the meeting room. The club members attending must ratify the nominee's membership by vote, after which, the new nominee will be invited back into the meeting, sign in as a new member and receive their membership card.
7. Regular club meetings are held the first Thursday of each month, at our clubhouse located at Leonard & Walter Streets, Pine Grove at 7:00pm.
